

## Jon Saint Germain

***JON SAINT-GERMAIN*** combines psychology, Hypnosis, thought-reading, ESP, and other obscure techniques to bring you a program of *STUFF YOU DON'T SEE EVERY DAY*. Basically, people think of things and he tells them what they are thinking. Usually. About 95% of the time. Hey, this isn't rocket-science; it's ENTERTAINMENT! Cool, refreshing entertainment for those who THIRST FOR SOMETHING DIFFERENT. **Jon was a featured performer at the 2009 Inaugural Ball**, has been a consultant for TLC, Discovery Channel, David Copperfield, and has entertained over 1600 corporations across the country!

## *How do you make your next event one your audience will talk about for months?*

**MINDBENDERS** — a fast-paced, funny, **amazing** ninety-minute presentation showcasing the hidden abilities of the human mind, exploring the areas of perception, intuition and other ways of how we see ourselves and the world around us, inspiring the audience to develop and explore their own hidden potential.

**Part One** is a fun, interactive audience participation experience involving ESP and mind-reading, where Jon and members of the audience read each other's minds.

**Part Two** is a hypnotism demonstration, where audience volunteers, under the POWER of HYPNOSIS, become movie stars, ballet dancers, Space Aliens and even Dancers! You'll know you made the right decision when you hear your audience's laughter and gasps of amazement.

**Part Three** concludes with the entire audience participating in *The Great Group Mind-Reading Experiment*, where everyone concentrates on personal questions and Jon Saint-Germain, his senses sealed shut, attempts to tune in on their thoughts.

Watch Jon solve a Rubik's Cube **blindfolded**. See intuitive senses so acute he can answer your UNSPOKEN questions. Witness the fine line between the POSSIBLE and the IMPOSSIBLE completely disappear!

*"Everyone is still talking about what you did!" -- Bill Mason, Mason, Peterson, and Smith Law Offices*

*"Everyone at the office is still talking about how wonderful you were. It was truly an evening to remember and a Christmas party we will never forget." — Diana Whiteside, Wendy's Corporate Office*

### **About the 2009 Obama Inaugural Ball Performance:**

*"My contact at the American Legion said he received numerous enthusiastic and positive comments—from the lowest ranking to the top gun there. They consider the event a **huge success!** He wants us back in 2013. Thanks for making last night such a memorable experience" — Kenneth M. Trombly, Schultz & Trombly, PLLC, Washington, DC*

# Fun Fortunes!

with Jon Saint Germain

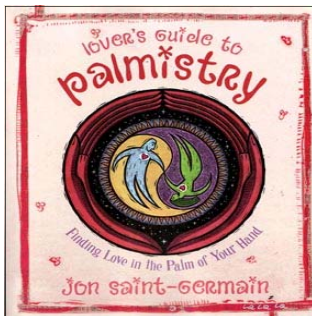

The ancient art of Palm Reading is a great novelty entertainment for your event. Jon sets up a tastefully decorated table and reads your guest's palms for several hours. It's unbelievably fascinating!

You'll know you've made the right decision when you hear the gasps and laughter of your guests. Jon's readings are upbeat, entertaining and guaranteed to delight any audience. If you like, He can also perform Tarot, Handwriting analysis, Runestones, I Ching or Numerology readings at no additional cost.

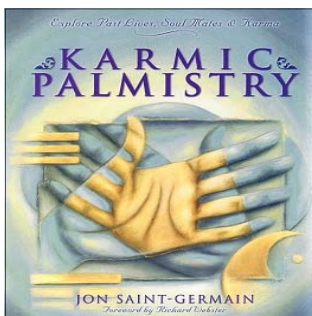

Jon has a unique style of delivering group readings that guarantees nobody goes away disappointed.

Believe it or not, he can provide readings for up to fifty people in one hour, and each person receives his personal attention and a fun souvenir.

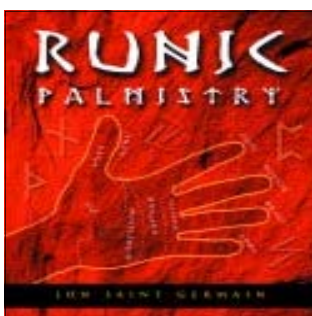

**Fun Fortunes** has been a sensation everywhere it's played.

Johnson and Wales University said "This was the most successful daytime event we've ever had!" while groups such as Merrill Lynch, Cook Pharmica, Eli Lilly and hundreds of others bring Jon to their functions again and again. People are fascinated with the readings, but they enjoy eavesdropping in on their friend's readings even more!

**Jon was a featured performer at the 2009 Inaugural Ball and is the author of THREE best-selling books on the art of Palm Reading!**

***HYPNOSIS*** — *Another Great Entertainment Brainstorm that will make your audience talk about your event for months afterward!*

a fast-paced, funny, amazing sixty-minute presentation wherein your audience members become the stars of the show!
